8th Edition

To Our New Dean . . .

When Jones first opened its doors eight years ago, a lady with a vibrant personality walked in—and she's been here ever since. She entered Jones as a math teacher; later, she was appointed counselor, a position which she has held for the past three years. This year, she served Jones in another capacity, that of Dean of Women. Her name, of course, is Mrs. Caroline Ivy.

Besides assuming the never-ending duties of Dean, Mrs. Ivy is sponsor of the Courtesy Club and co-sponsor of the cheerleaders. The Bird Boys, guardians of our mascots, Sir Frederick and Sir Frederick, Jr., are also under her capable direction.

In addition, Mrs. Ivy amazingly finds time to attend every pep rally and athletic contest. She is also a staunch supporter of the *TALON* (our very first subscriber this year!), the *GAUNTLET*, and the Speech and Drama Department.

Thus, in appreciation for a demanding job well done, we dedicate our book to you, Mrs. Ivy, saying thanks for just being yourself—with your gay smile, witty sayings, loyal devotion, charming personality, and . . . your messy desk!

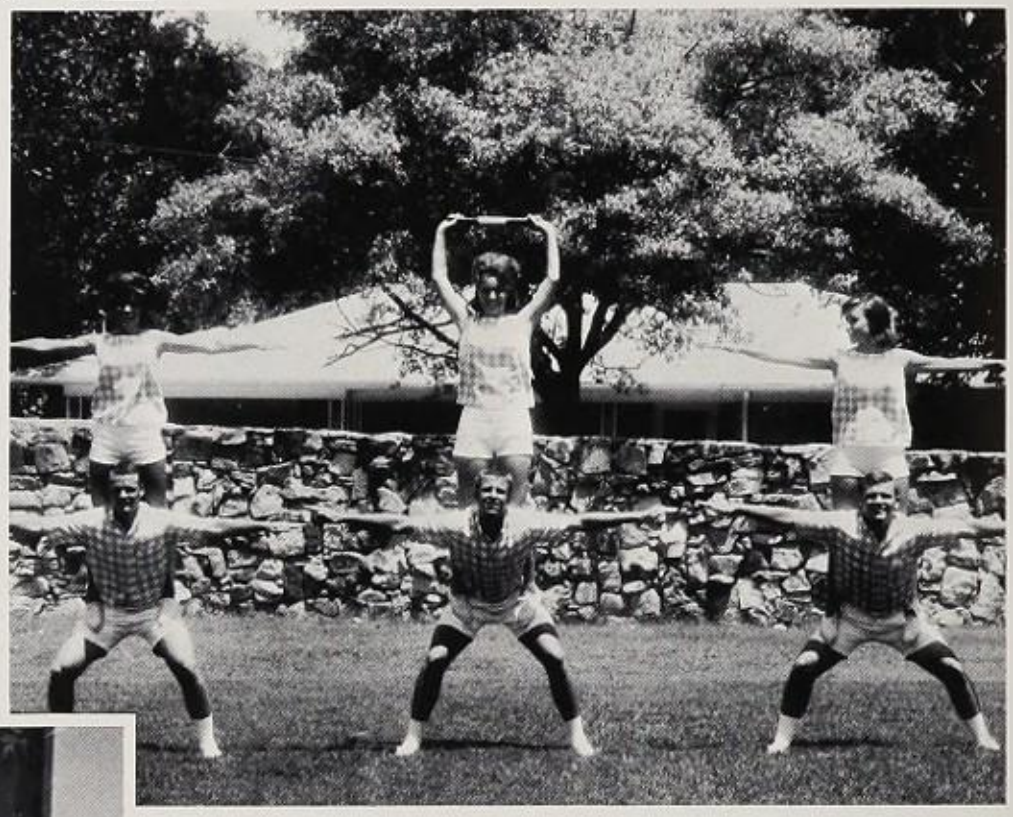
ACTIVITIES

Summer Smiles . . .

Commodores enact a pin wheel during the Summer Performance.

Hurry up, they're getting heavy!



Hee-Hee . . . and if *you* stab me!

Officially school was out, but students continued to carry the Falcon banner. Paper drives and car washes were among the fund raising activities sponsored by the Co-Ops this summer for football ribbons and the football banquet. Commodores learned dance and drill techniques at SMU, while the TALON staff was represented at Texas A & M seminar. The GAUNTLET participated in a workshop at Trinity University and won two first place awards; Judy Gossett in contemporary thought and Camilla Hicks in headline writing. The cheerleaders came back to Jones from cheerleading camp with a new award, the "spirit stick". Janice Salzman, a Girls' Bluebonnet State representative, joined with girls from all over the state to run the Texas governmest for one day. At the conference, she was elected Attorney General and later was selected as one of the two girls to go to Washington to represent Texas at Girls' Nation.

Characteristic of Jones' students, Cindy Estopinal helps others by administering polio vaccine to children in Honduras.

Fall Brings Fun . . .

Fall brought fun, excitement, and memories. Football games became the focal point for excitement for all classes. Then as football season progressed, the Kick-Off Dance added fun to those in attendance.

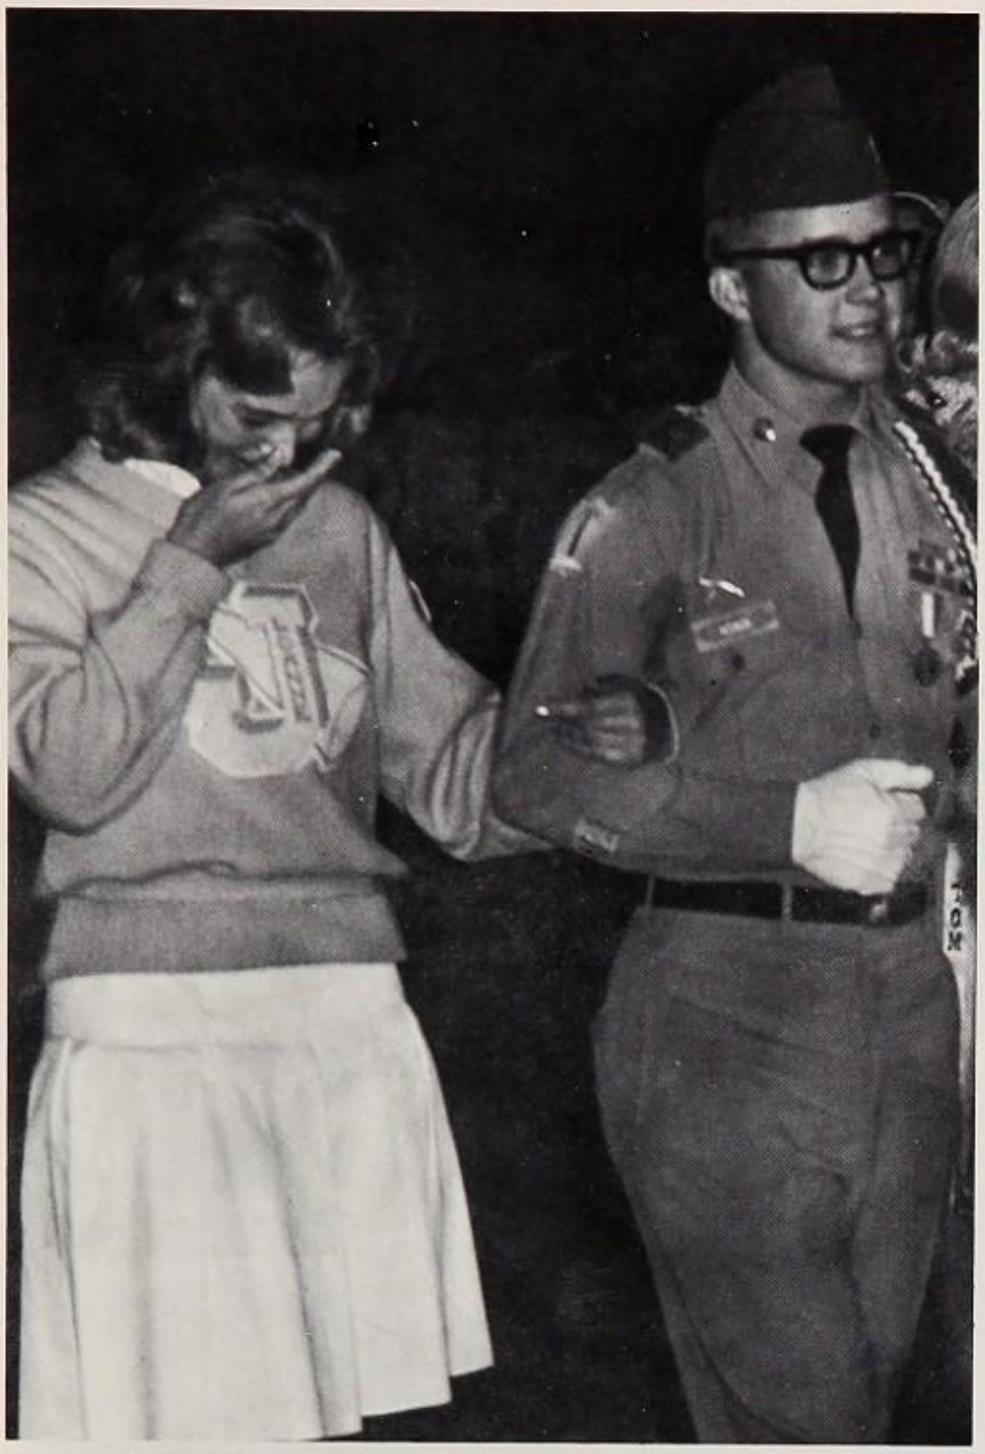
Two contests, Most Beautiful and Most Handsome, also brought excitement to many students. A new method for selection of Most Handsome Boys from each of the classes was tried. Whereas in past years the student body has elected a boy from each class by popular vote, this year four judges from the faculty selected both a winner and a runner-up. The Most Beautiful Girls were also selected in this manner.

See Richard jump. See me jump. "Jump, jump!!" says Cheryl Craig while at the Kick-Off Dance.

Valerie Ducas represents part of her junior class in the beauty contest.

"Hey, should I run now or later?" asks Larry Harris.

Excitement . . . Memories



TEARFULLY, Queen Loanne Till accepts her title.

The 1965 Jones Homecoming Pageant was, as in past years, filled with excitement: the student body crowned a new queen, Loanne Till. Nan Lefforge and Jeanne Johanson shared in her reign. Each girl was presented a charm and flowers from the R.O.T.C. At the dance, they were each given another charm by the *GAUNTLET* staff. Entertainment was provided by the Modern Dance Club, Felton Sappington, Gail Humphreys, and the Dixieland Band.

Homecoming Princesses receive congratulations.

Joy and excitement are mirrored on the faces of Princesses Nan Lefforge and Jeanne Johnson.

Senior Commodores climaxed their Commodore years at the Cotillion in the Texas Room of the Houston Club, where they were recognized as graduating seniors. The Countess and her attendants were announced. This was truly a "Stairway to the Stars."

These, the Golden Voices, directed by Miss Ray, presented the Christmas program.

One feature of the Christmas program was the duet of Gail Trainor and Mary Ann Bowden.

The quartet of Gary Drews, Joyce Boyd, Pat Blasingame, and Sharon Cowart sang "Winter Wonderland".

Pam Foster accompanied the various Christmas songs.

The trimming of the library's Christmas tree was done by Teresa Matthews.

Students at the Christmas Dance enjoyed the music of The Merry Makers.

Our annual Christmas program was presented this year by the Golden Voices and the Modern Dance Club. Toward the end of the day, spirits were uplifted by the Golden Voices as they sang traditional carols through the halls. That night the Tinsel Twirl was held in the cafeteria. Here, the students were entertained by The Merry Makers, and the class favorites were announced by the *Talon*.

These were among the class favorites announced at the Christmas Dance.

Graduation

Senior boys anxiously await Baccalaureate services.

The graduating seniors' activities began in a whirl of excitement with the Senior Prom which was held in the Grill Room of the Houston Club on January 8, 1966. Entertainment was provided by The Kings. Later in the evening the graduating seniors honored their homeroom teachers with gifts of appreciation. The height of the evening came with the After-Prom Party at the Houston Executive Club. Here the exuberate theme of "Mardi Gras" enhanced the spirit of the graduating seniors.

Yet Baccalaureate and Commencement made a lasting impression on these seniors; Dr. Brooks Wester, pastor of Park Place Baptist Church, presented the sermon for the Baccalaureate service. Here also the Commencement exercises were held. With a handshake and the grasping of a diploma, the graduating seniors step out into the world.

Alright guys, back to work!

The Seventh Annual Falcon Forensic was held on February 4th and 5th. Thirty-one schools participated. The Cadence Commodores and ROTC assisted the National Forensic League. The NFL, sponsoring the tournament, did not enter.

On February 18th and 19th in the Jones auditorium, the Plume D'or Players presented their musical comedy, "Bye-Bye Birdie." The basic theme of the play consisted of a teen-age music idol, Birdie, who was drafted into the Army. The unpredictable and hilarious events that preceded his departure thoroughly delighted the audience.

With a blow of a whistle, a snap of heads, and a swishing of skirts, the Cadence Commodores of Jones High School begin another half-time performance.

The Commodores—devoting much time to perfecting their performances, showing loyalty to all school activities, encouraging good scholarship and good conduct, and developing leadership and self-initiative.

No chain is stronger than its weakest link.

This quotation has a special meaning for all Commodores. They realize that it takes each girl doing her part to make a good drill squad. Each girl must exhibit qualities of honor, love and loyalty.

As the sparkling stones in a kaleidoscope change in shape and hue when it is turned, so my Co-Ops present to me a kaleidoscopic change of mood and activity as the year progresses. The car wash to raise money to pay for booster ribbons, poster parties, a tea honoring the Freddies, and a football banquet for Varsity and Junior Varsity teams keeps them busy in the fall.

Again a slight turn of the kaleidoscope shows my Co-ops alternately screaming shouts of victory and crying tears of disappointment in reaction to the often spasmodic tempo of football, basketball, and baseball outcomes.

At the spring banquet, the tension mounts and tears flow as the leaders for the next year are announced. The kaleidoscope has turned a full revolution and begins to turn again . . .

Along with the words of Reserve Officers Training Corps come those of patriotism, discipline, and honor—these being the basis for this vital organization.

Their military training course covers weaponry, map reading, military courtesy, and military history.

Special events and activities include sponsoring the Homecoming Dance, ushering at the rodeo and Ice Capades, attending the Military Ball, and participating in city-wide competition of drill and rifle teams.

The ROTC hopes through its program to form outstanding citizens who will serve their country well, both in times of peril and of peace.

Those Golden Bowlers Strike On!

The Golden Bowlers, about sixty in number, bowl every Tuesday without fail at the Belfort Bowling Lanes. Their purpose is to promote school spirit, good fellowship, and a sense of fair play and good sportsmanship. At the same time, they learn to perfect a sport that they can continue to participate in and enjoy throughout life.

In addition to weekly competition, the Golden Bowlers also participate in dual practice meets against several other high school teams and in the City Championship Meet. At the close of the season, they hold an Awards Banquet at which letters, trophies, and certificates are awarded.

Distributive Education has guided many students in choosing their vocations by providing them with an opportunity to gain practical experience in the fields of distribution, marketing, and selling.

It has helped to make students into better citizens in the community and on the job. D.E. students learn how to get along with people and how to participate and manage in the business world. Employee proficiency is not the only achievement of D.E., however. It also strives to build the character of its members by providing for physical and mental health though satisfactory social and recreational activities.

The Future Teachers of America is an organization which acquaints students with the various requirements, techniques, and problems of teaching. This organization, sponsored by Mrs. Akers, participates in many local and state activities. Tutoring is one of the Jones Future Teacher projects. The members also serve the school by assisting teachers at the end of semesters.

The purpose of this club is to provide its members with experiences which will further their interest in the field and help to establish a basis for a successful teaching career.

65: A Trying and Memorable Year

For the second time in two years, the Jones Varsity advanced to the quarterfinals. This year's team, however, was entirely different from last year's. There was much more doubt and many more defeats. After W. C. Treadway's resignation as head coach Mr. Larry Roberts took over the team. He was faced with a large group of inexperienced boys. To compound his troubles, he had an entirely new coaching staff. Mr. Roberts exercised great patience and intelligence while rebuilding the team.

His Falcons lost their first five non-district games. They won their first district game against Westbury and then suffered a cruel setback at the hands of Lamar. Things picked up for Jones after this, and they were able to capture the Zone Two and City championships. The bidistrict game against Spring Branch Memorial turned out to be another Jones victory. The team finally met its "Waterloo" in the quarterfinal contest against Brazosport.

The long season was a trying one and at times, a very disheartening one. However, the resolution and high achievement of the '65 varsity will always be remembered at Jones!

Lee, like the proverbial roll- score.

Tomlin went across on a 10-yard advance at right tackle as he bounced off five Falcon defenders.

Wolfinger added the extra point and Lee led, 14-6.

Jones could conceivably have tied the game and still lost at this point. Lee led in penetrations, 3-1, and the Falcons needed a miracle.

Jones took the kickoff and drove rapidly to the Lee eight-yard line before the drive was kill the drive on the Lee eight with only 2:04 remaining.

All Lee needed to do was hold the ball for three downs and punt and the game was over. However, Tomlin fumbled on the second play and tackle Bill Atessis recovered for Jones at the Lee four. That gave the Falcons a chance, as it was their third penetration, and it proved that miracles can happen.

Still they needed to tie the game before penetrations and the Falcons needed two points to win the city title. A check with the official statisticians showed that Jones owned a comfortable lead in first downs, and, with the penetrations even, first downs would determine the champion in case of a tie.

Gavrel tempted fate when he tried to hit Bailey for the vital two pointer, but fate was smiling on the Falcons, and Bailey was open in the end zone. He caught it and Jones

Shaky pass defense cost Jones its first game of the season. The final score was Jones 14, Lee 15. The Generals scored the critical points in the first and fourth quarters. Varsity rookie Danny Vara led the Jones rally by scoring touchdowns in the first and fourth quarters.

Donnie Still scored the other two points of the night by catching one of Louie Gavrel's passes and running over the goal line for a two point conversion. Milton Thompson, Bill Atessis, and Lester Smith turned in exceptional playing performances.

Crowds at Jeppenson Stadium saw the Milby Buffs defeat Jones for the first time in four years. The score was a heartbreaking 22 to 12. Milby made two touchdowns and two point conversions in the first quarter and one touchdown in the third quarter.

Despite touchdowns by Donnie Still and Mike Clements and fine playing by Louie Gavrel, Barry Huggins, Lester Smith, and Paul Ferguson, poor defensive playing cost Jones its second game.

Feathers Fly . . . Falcons Fall

Jones lost its third game of the season to the state-rated Baytown Ganders. The Ganders got off to a flying start in the first quarter by scoring a touchdown and an extra point.

In the second quarter, Jones began a drive on a pass interception by Mike Clements. The drive was resumed in the third quarter with a series of fumbles and recoveries by the Jones team. Louie Gavrel's passing and tremendous work by Milton Thompson, Bill Menard, and Tommy Twiford sparked the Falcon drive.

The Ganders shot to life again in the fourth quarter and scored another T.D. Jones made a heroic stand in the closing minutes of the game, but to no avail. When the final gun sounded, the score was Baytown 14, Jones 0.

Jackets . . . Waltrip . . . Defeat Prevails

Jones lost its fourth game of the season to Port Arthur. Action began rapidly in the first half and was highlighted by a tremendous touchdown pass from Louie Gavrel to Mike Clements. The Falcons continued to hold their own until the third quarter when the Jackets snapped to life. Port Arthur scored a touchdown. This was followed by a two point conversion. The fourth quarter marked another Jacket drive. Port Arthur then scored their second touchdown. The final score was Port Arthur 14, Jones 6.

The battle against the Waltrip Rams proved to be just as heartbreaking as the Port Arthur game. Jones valiantly held the Rams at bay for three hectic quarters. However, as the fourth quarter dawned, things looked dismal for the Falcon Eleven. Waltrip scored a T.D. and Jones remained scoreless for the rest of the game. Five! Four! Three! Two! One! The clock ran out and Jones had won its first game of the season! This was the conclusion of a contest in which Jones scored 34 points and Westbury scored 0 points. Action began in the second quarter when Louie Gavrel passed to Johnny Bingham for a touchdown. Then, injured Dan Dawsey intercepted a pass and scored another T.D. The extra point on this play was good.

The third quarter saw the continuation of this Falcon drive. Mike Clements made the outstanding play of the night by running 75 yards for a touchdown. Westbury regained the ball and Dan Dawsey made another fine interception. Alan Smith then ran over the goal line for a T.D. The fourth quarter saw the Falcons go on a pass intercepting spree. Bellaire . . . Lamar . . . The Ups and Downs

Jones' homecoming was partially spoiled by a defeat at the hands of the Lamar Redskins. Action began rapidly in the first few minutes of the game when Lamar scored two points on a safety. This scoring drive continued into the second half. Lamar scored a touchdown. The Falcons were able to contain the Redskin tide until the fourth quarter. Lamar scored another touchdown.

With only ten minutes left to play, Louie Gavrel passed to Larry Bailey for a touchdown. The team tried to continue this scoring streak, but failed. The final score was Lamar 16, Jones 6.

An eerie fog covered Delmar Stadium as the Falcons prepared to do battle with the Bellaire Cardinals. Jones received the kick and held things on an even keel until the last minutes of the first half. Then Donald Robicheaux intercepted a pass and ran thirty yards for a touchdown.

This action continued into the second half as Scott Sands, Ted Scruggs, and George Davis teamed up to produce some outstanding running plays. Ted Scruggs scored the second Falcon touchdown during one of these plays. The Cardinals stirred to life in the final moments of the game and scored a touchdown. They tried desperately to score again, but failed. When the final buzzer sounded, the score was Jones 14, Bellaire 6.

A high spirited Falcon Eleven met and defeated the San Jacinto Bears 28 to 16. The first half saw San Jacinto score two touchdowns and shoot to a quick lead. Falcon Ted Scruggs scored a touchdown, but Jones still remained behind.

The second half was a different story. Ted Scruggs made himself the outstanding player of the night by scoring three touchdowns. This scoring streak turned the tide of victory in favor of the Falcons and set the stage for the zone playoff.

Austin faced Jones in this playoff. The Mustangs shot to life in the first half and scored a touchdown and three point field goal. Jones reacted to this by scoring a touchdown.

The second half was a partial repeat of the first half. Austin scored another touchdown. Louie Gavrel came into the game and fired a pass to Ted Scruggs for a touchdown. Austin still remained in the lead until the last few moments of the game. Louie Gavrel made the decisive play of the night by passing to Donnie Still. An Austin defender tried to block the ball, but he deflected it into Still's hands. This gave Jones its third touchdown and a victory.

Falcons Swoop . . . Win City Championship

Falcon players pause in quiet anticipation.

Lee came within a hair of becoming city champions in a great battle against the Jones Falcons. Action began slowly in the first quarter. In the second quarter Lee blasted to a quick lead by scoring a touchdown.

The third quarter saw a flurry of activity that was climaxed by a Jones touchdown. As the game progressed into the fourth quarter Lee secured its one point lead by scoring another touchdown. Things looked very grim for Jones. Louie Gavrel moved onto the gridiron and performed some true football magic. After many frustrating failures, he finally was able to complete a touchdown pass. The resulting tie situation remained until the end of the game and Jones won on first downs.

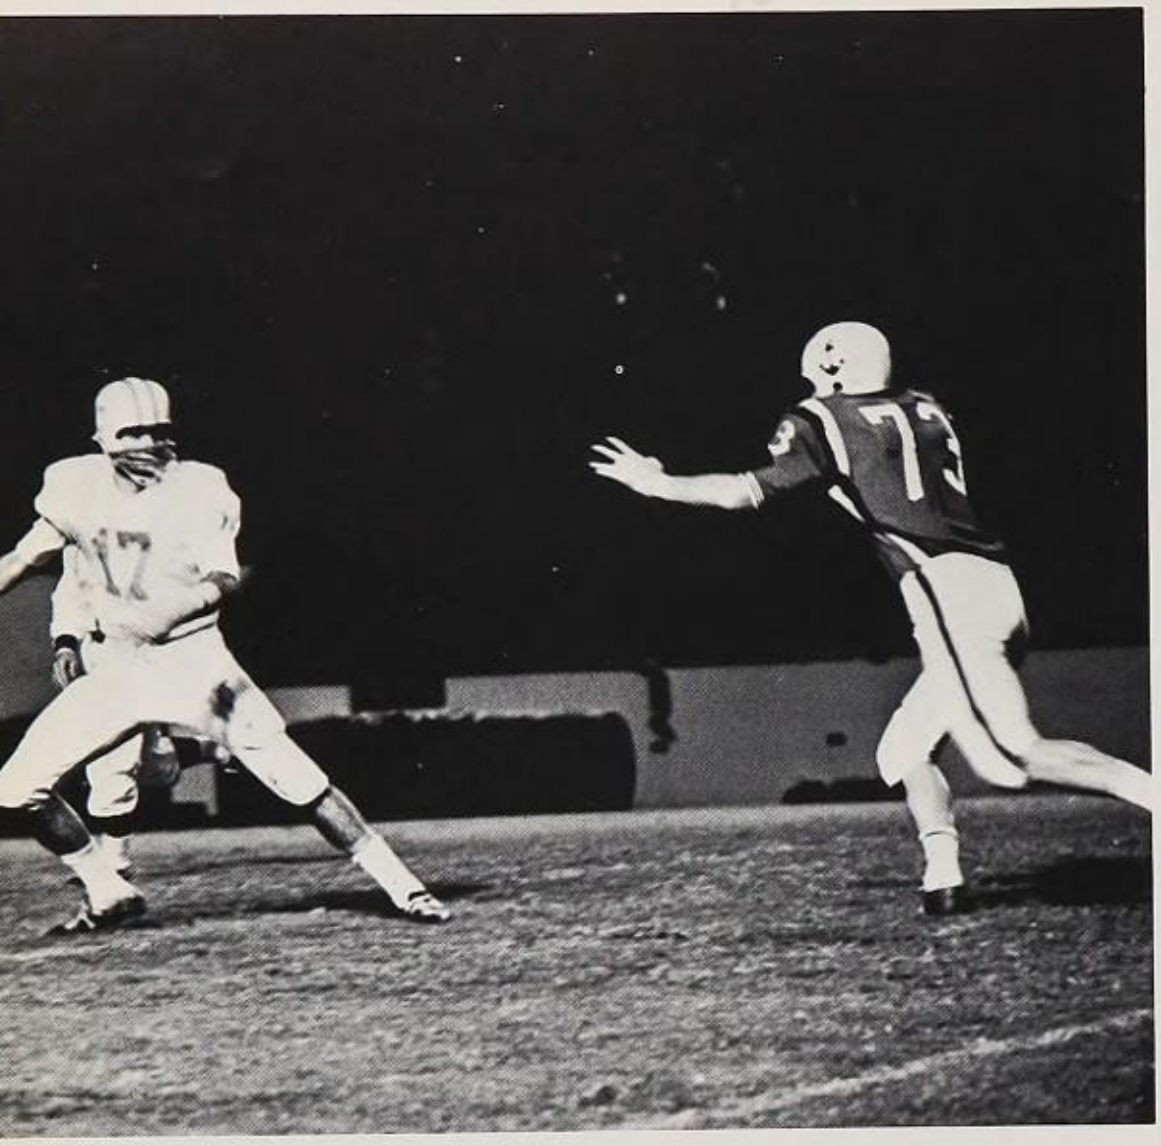
Memorial . . . Brazosport . . . Triumph and Tragedy



Don't worry, Louie! It's just a Commodore in disguise!

Jones continued its charmed life by beating the Memorial Mustangs 7 to 6. The first two quarters were a tense situation in which neither side made any decisive gains.

Then came the third quarter. Louie Gavrel passed to Ted Scruggs for a touchdown. Memorial counter-attacked and scored a touchdown. The Mustangs attempted to score again in the fourth quarter, but fine defensive playing by Jack Kovar stopped them in their tracks.

Jones finally met tragedy at the hands of Brazosport. The first quarter began in a mood of apprehension and saw the Exporters score a touchdown. Jones remained scoreless until the second quarter when Scott Sands sprinted fifty-two yards for a touchdown.

The fourth quarter began on a note of optimism for Jones and ended in dismal sadness. Brazosport scored three touchdowns. Jones exploded into life in the fourth quarter. Scott Sands passed to Larry Bailey for a touchdown. The Falcons desperately tried to score on several other occasions, but failed. After the final seconds had ticked away, the score was Brazosport 28, Jones 15.

Coach Ken Laird

The Fighting Falcon basketball team, under the direction of Coach Ken Laird, captured third place in the Beaumont Tournament and first in the Huntsville Tournament. They missed the championship bracket of the Jaycee Tournament by losing a thriller to Milby 50-49. The Falcons ended the first half of district play with a 5-0 record.

After losing two valuable Senior players, the Falcon threat weakened. Jones tied with Bellaire for the zone title after winning 7 and losing 2. After losing to Bellaire 41-74, the Jones Falcons ended the season with 25 wins and 6 losses.

FIRST ROW: Larry McCommon, Jack Ashabranner, Tommy Barbazette, Jimmy Moore, John Galloway.

Les Dix

Les Dix—the ten outstanding seniors of 1966—is one of the greatest honors a senior at Jones High School may earn. The ten students were chosen from 42 nominees with equal emphasis on scholastic ability, latitude of interest, co-operation to the student body, and promise of future worth.

These "selected" seniors were chosen by nomination by one of the major service organizations, by faculty members, or by themes written by fellow students. The final selection was chosen by a panel of teachers with Mr. Ralph Teter serving as chairman.

warm and wonderful

Gas central heat keeps homes toasty warm from floor to ceiling, *without* special insulation. And you save three ways: ☐ Fewer repair bills, because gas systems are simpler ☐ Lower monthly bills—gas costs less to operate ☐ Longer service—gas systems are going strong when others have worn out. For comfort, reliability and savings, look for the Blue Star *before* you buy.

Editor's Page

During this past year, every member of the *Talon* staff has worked long and hard to give you, the student body, a book of memories for 1966. As Editor, I found that each member of my staff gave a little part of himself to produce this book. Although each one deserves a big thanks, special thanks go these people:

—Miss White, who listened to our problems and helped us in every way possible. We know her first year as *Talon* sponsor will long be remembered.

—Beverly Dee, my Associate Editor, whose ideas helped shape the book and whose vibrant personality added that extra little sparkle to our book and to our staff.

—Mr. D-Eon Priest, our Taylor Publishing Company representative, who solved every problem that was too big for us to handle.

—My parents, who sometimes wondered if I really lived at home this year or if I just ate and slept there between picture-taking sessions and those last-minute deadline rushes. Without their love and encouragement, I would not have succeeded.

All these people and many more made this book what it is. And what is it?

It is a book of memories dedicated to that part of your life when life is at its very peak. However, life at its peak is sometimes difficult, and we find we can't decide which path to take, which road to follow. I leave you with this thought, in times of fear, distrust, and indecision:

"In all thy ways acknowledge Him and He shall direct thy paths."

Proverbs 3:6
